## BABY WIPES 婴儿湿巾

Our Baby Wipes are soft and gentle enough for baby's face, hand & buttocks. These soft and resistant wipes are alcohol free and contain sweet almond oil, which can clean and moisturize the baby's delicate skin. Baby wipes are not only soft and gentle on baby's skin but also thick and strong enough to deal with even the worst clean ups.

Extra sensitive wipes are clinically proven safe for sensitive skin. It does not stimulate to skin lubricity. Effectively prevent ammonia rash.

- Quilted & soft
- Hypoallergenic
- Alcohol free
- With Aloe & Vitamin E
- Available in scented or unscented
- Prevention ammonia rash

Specification: 50pcs/pack

## Makeup Remover Wipes

### 卸妆湿巾

- easy and practical usage
- perfectly but gently cleans the face
- ideal for all skin types
- lanolin- and alcohol-free
- high herb content

Our Make-up remover wipe was tested by cosmetics. It easily and perfectly removes make-up and other contaminations from the face, while its herbal extracts (Calendula Officinalis, Lavandula herba, Chamomille flos and Calendulae flos) gently treat the skin. Its vitamin and provitamin content moisturizes the skin and keeps it stretch, while preserves it from wrinkles. We have recently developed a sophisticated range of vitamin E, Q.10 and exfoliating wipes.

- Car dashboard wipes
- Grease-off wipes
- Hands cleaner wipes

## Industrial Wipes

### 工业湿巾

Our Industrial Wipes for hands, tools and surfaces are first choice across a wide range of professionals and industries, from plumbers and decorators to mechanics and engineers. Seriously effective, these wipes remove more "nasties" than any other hand cleaning wipe, from heavy grease and oil-based paints to PUR adhesives, epoxy grouts and much more. Instant powerful cleaning anywhere you need it - perfect for when you are on the move or when clean-up facilities are not close at hand - no need for messy and ineffective liquid cleaners, sinks, taps & dirty wet towels - stay clean and keep your work clean. Approved for use on hands and dermatologically tested, Big Wipes Industrial are available in a range of pack sizes to suit any application.

## Brief Process

### OEM/ODM(Private Label)

We Provide OEM products for our customers.

For doing so, our customer need to support as following points:

- 1.The order quantity should be big.
- 2.Customers should provide us with artworks for which we are to produce.
- 3.If famous trade marks are required to be printed on the products, we need an authorization letter from relevant customer abroad.
- 4.The plate cost need to be paid by customers.
- 5.Timing of making new plates: About 10 days.
